Please read the following policy before completing and signing the application.

Landscape Aeration Rebate Policy

Purpose: To reduce the amount of landscape water used by AMWC customers and improve landscape irrigation efficiency by plug-aerating turf areas to promote deeper root structure and reduce sprinkler runoff.

Rebate: Upon completion of the aeration and receipt of the sales receipt, customers will receive 50% of the cost of the aeration up to \$90.

Requirements: The following conditions must be met in order to receive a rebate:

- 1) Applicant must have a current, active account with AMWC.
- 2) Rebates are one time per property.
- 3) Rebates will only be paid as long as funds are available. Programs may expire or change at any time.
- 4) All rebates are subject to both pre-and post-inspections. Aeration must be completed within 120 days of the of the pre-inspection.
- 5) Tenants who wish to participate should contact their property owner/manager. A letter of consent from the owner must accompany the application in order to participate.
- 6) Sales receipts and/or contractor invoices are required for the aeration rebate.

I have read and understand the Landscape Rebate Policy above.
