

# Turf Conversion Rebate Program

**AMWC is offering rebates of up to \$500 for homeowners to replace their lawns with water-conserving plants.**

To help make landscaping changes that will significantly reduce water use for years, AMWC is offering rebates to shareholders who replace their lawns with water-efficient landscaping. Rebates are available for residents who convert lawns to water-conserving plants or artificial turf, or permeable paths, patios, or activity areas. To apply review the Landscape Program Requirements below and contact Conservation Staff at 461-7217 x22 or email [conservation1@amwc.us](mailto:conservation1@amwc.us).

## Turf Conversion Rebate Program

Program	Rebate Amount	Max Rebate
<b>Turf Conversion</b> – convert existing areas of turf grass to drought-tolerant plants, synthetic turf, or permeable paving	\$0.25/sf	\$500 SFR, \$1,000 MFR, COM, LS

**Landscape Program Requirements:**

- Existing lawns must be in good condition and irrigated by an existing sprinkler system in good working order.
- Plants that are not on the AMWC Water-Conserving Plant list or listed in the WUCOLS (Water Use Classification of Landscape Species) Region 2 with a Low water requirement must be pre-approved by an AMWC Conservation Staff. The following plants will not be approved Coast redwoods, Vinca major, Pampas grass, Scotch broom, or any species listed on the SLO County Invasive Plant List.
- Sites must be pre-approved by AMWC Conservation Staff before any work is started in order to be eligible for a rebate. The program is not retroactive. Landscapes for new construction or where no landscaping previously existed are not eligible.
- Areas converted to vehicle or recreational equipment storage, kennels, concrete patios, unplanted mulched or decomposed granite areas will not qualify.
- SFR = Single-Family Residential, MFR = Multi-family Residential, COM = Commercial, LS = Landscape
- All rebates are subject to both pre and post-inspections.
- Rebates are one time per property.

*I have read and understand the Landscape Program Requirements above.*
