**\*Atascadero Mutual Water defines additional dwelling units as residential units, on the same lot, separate from the primary residence and having full bath and kitchen facilities. Payment for these types of additional units is mandatory. Granny units and/or guest houses are residential units on the same lot, separate from the primary residence with a full bathroom and wet bar or sink separate from the bathroom. Shareholders may consider their granny units and/or guesthouses as additional dwelling units and have the option of paying connection fees on these units.**

I hereby apply for additional connection to the AMWC water system at the above-referenced property. I understand that this application is subject to approval by AMWC. I agree to use the water service and pay all rates and charges for the water service in accordance with the rates, rules and regulations of AMWC (available to customer upon request). I understand that delinquent accounts are subject to termination of service, as well as all costs of collection, including reasonable attorney's fees and costs.

A separate meter, or meters, shall be required for service to any lot, condominium unit or legal parcel. A separate meter is not required for additional single-family residential units on the same parcel.

This account will be changed to reflect current water rates for the number of dwelling units served, and will be charged an additional minimum monthly rate for the second dwelling unit. This minimum monthly rate includes 2000 gallons of water at no charge.

If at any time in the future additional units are added to this meter, additional connection fees shall be due and paid at the rates then in effect.

**By placing my signature below**, I represent and warrant that I am authorized to sign this application and agree to defend, indemnify and hold Atascadero Mutual Water Company harmless from and against any and all claims, actions, demands, liabilities, damages, settlements, costs, fees and expenses, including reasonable attorney and expert witness fees and expenses, arising out of or related to any breach or claimed breach of this representation and warranty.
